A fantasy adventure RPG being developed by Tokyo RPG Factory's D&D team. Tarnished the Sun's fire is shining from within you, a young man who became an innocent hero. In the midst of a war, magic brought a decline to the land. The crystal of the Elden is becoming less and less. You no longer draw out the magic power from the crystal, but a dangerous black magic begins to take shape within you. Between the crystal and you, the mysterious black stone-- the central premise of the fantasy world! The black stone is known as Dallus, the gem of darkness. Dallus is a stone that cannot be trusted. Even in the hands of an Elden Lord. Tarnished, a hero of the crystal, will be pit against this Evil Stone Dallus. Its power includes the power of darkness, the ecstasy of sorrow, and the bliss of the abyss. It spreads a dark shadow over the crystal. It is the power of evil, and everyone who touches the crystal will fall under it. Dallus' power spread with magic. With the power of the Elden people's most legendary heroes, the crystal of the Elden will be fully restored as the legendary Elden Ring. You must believe in your own strength, and use the power of the world and your soul to stand against the darkness and the beauty of this world. Use a rich fantasy world and characters with a unique and appealing style to create your own adventure and live it with others! An Incredibly Efficient System
RPG fans will find it hard to find any other titles that are just as efficient as *Elden Ring*. By making use of the 3DS system's processing capabilities, the dramatically simple operation and gameplay were made possible.
Unique Craftsmanship
Created by the *Monster Hunter* development team which has produced the highest selling games in the world, *Monster Hunter World* and the *Monster Hunter: World* expansion, as well as *Monster Hunter Generations*.

2. Introducing Hunters
The Hunters are an elite group, the chosen few who are equally strong in the grasp of the Ring as the monsters are. They are the successors to the Elven Hunters, and serve as the interface between the players and the monsters. They investigate monster information, items, quests and other elements in the world, and play an important part in the story as they interact with the monsters. Weapons, arms, magic and other items can be equipped and modified by the Hunter to change their nature.

The Hunters consist of five distinct classes: - Paladin - Archer - Climber - Enforcer - Scout

Some Hunters can learn a variety of skills that help them reach higher ranks in the rankings. For
