► Separate and Combine Various Items to Enhance the Character The system in which various items such as armor and weapons can be combined to improve your character's ability. ► Explore a Vast World Full of Excitement The continents of Livna and Vala have been merged, and massive cities and dungeons lie between them. Evade the ferocious monsters that roam there and play to uncover the mysteries of the lands between. ► Become an Elden Lord After successfully completing the game, you can register your character and become an Elder Lord. Each Elder Lord has a lot of power, and the incredible warrior who is your caretaker is under your control. ► A World Where Your Thoughts Become an Action There is something about your character's wishes and intentions that will lead to the outcome of events. You will face some events that might be said to be unfair, but in fact, your actions were the cause of the change. ► An Epic Drama Born from a Myth The Lands Between are a world where players can enjoy the story with multiple endings. The emotions of the characters intersect with each other. ► An Online Game that Loosely Connects to Others Your character is not only you, but also your companion. When you travel together, you can talk to each other and share the joy of our emotional bond. ALWAYS BE THE FIRST TO KNOW WITH THE LATEST GAMES ON YOUTUBE. Elden Ring Features Key:

BASIC FANTASY ACTION RPG Travel from the Overworld to the Netherworld via the lesser and great planes, battling monster hordes as you go. With its unique party member system, two-pronged World Map Attack, and special attacks, Tarnished Online is a party game that allows for both real and fun battles.

Multiple Playable Characters In Tarnished Online, you can enjoy the adventures of your preferred character and customize yourself. Tackle the game via the Advanced Battle System, where you can combine weapons, armor, and magic, or the Action Battle System, where you can use special attacks and new skills to defeat your enemies.

A Varied Array of Weapons Boltcracker, Hammer, Hamstring, Pickaxe, Surge Lash, Teleport Weapon and other weapon types. You'll also encounter specialized titles such as Heavy Archers, Fists of the Gods, and Arrows from the Sky.

Wield Numerous Special Attacks Flash, Critical Attack, Infinity, Guard Break, and other special moves. (Except for the Ether Attack special move and Epic secret attack, everything can be learned after you reach a high skill level.)
