On December 13, 2017, Fantasy Flight Games LLC, a leading worldwide publisher of games and entertainment based in Durham, North Carolina, and 505 Games, a veteran game publisher and provider of innovative content with a 60-year history and headquartered in Cologne, Germany, announced the creation of the groundbreaking action role-playing game title, Elden Ring Activation Code. Launched today, January 2, 2018, on Xbox One, PlayStation®4 computer entertainment system, and STEAM®, Elden Ring is a new experience for fans of the established genre. In Elden Ring, you take on the role of an Elden Lord, a person who is reborn on a journey to save his world from destruction. Along the way, you are thrust into a grand tale of action and adventure, where you must balance the individual desires of the individual Elden Lords, and the aspirations of the entire world. Elden Ring's ongoing story is told in first-person, over dynamic encounters, where you have to make tough choices to progress. The ultimate goal is to provide the players with a rich experience, in which the game seamlessly switches between local and global story elements to provide a satisfying, satisfying RPG game. EXCITING FEATURES ● Birth of an Action RPG New to the fantasy genre, Elden Ring has reimagined the role-playing genre by adding original, dynamic story elements to the action role-playing genre. The story of Elden Ring is told in first-person, and in the dynamic, "blind" encounters that are featured in the game. Although you are a person who is reincarnated in the world of Elden Ring, you are far from being a static character. As you face formidable monsters in richly detailed environments, you also face your own choices about the choices that will be made that will change the fate of the entire world. ● CLASSES In the fantasy RPG genre, you recruit your party via a class system. Similar to the way you choose a character class in a modern MMO, you can recruit one of three different classes, each of which has its own unique skills and play styles. By choosing the class of the character that you recruit, you will be able to determine how you go through battle. You can switch between them at any time by talking to a character. ● SELECTION OF

CLASSES AND ACCELERATE CLASSES The system for class selection is as follows. At the start of the game, you can select a

What's new:

Aquasis Diocesaga

**The World of CID (Central Institute of Devine).
An exceptional teenage boy named Hikari is
lost in the night. It is a dark world in which
the Demon King Slanbrand, a force of hatred,
inflicts injuries upon the people. Hikari, a boy
who is also driven towards hatred from the
first time he saw fireflies together with his
beloved sister, gets in the midst of the
struggle between King Slanbrand's power and
the Sacred Knights.Hikari faces various
difficulties in this battle as he covers every
corner of the world by traveling different
worlds with himself, friends, and allies.
However, Hikari must be alone in this world in
order to obtain the Holy Mirror that is
required to defeat the Demon King Slanbrand.**

Dorei Seika

**Groups of soldiers of the Holy Knights – The
Ryuu no Sekai Seikatsu Force are composed
of individuals who have founded their own
units. Each has a unique personality. Such as
the Kireji, the Chinka, the Uchucard, the
Bernuen, and others. They all aim to
achieve—What? Then, what is the goal of the
forces...?**

2G.A. -Zone

The story begins. A young man named Yoichi. A city in ruins. Ever since it was completely destroyed, no one's been able to enter it. Recently, Yoichi believes he came across a forbidden sword lying on
