Geforce GTX 590 Willing to be patient Titanfall 2 | Supremacy | Open Beta | Pre-release ~1 hour 30 minutes When the beta came out, I waited for a good hour. I knew there were a lot of people waiting to get in, and I had a feeling it wasn't gonna work. I was really lucky, though, as about 15 minutes before I got my login email, my computer froze up. This put me in the very back of the queue. For some reason, it also
