The Elden Ring Game (Single Player) will be a fantasy action RPG developed by BANDAI NAMCO Entertainment Inc. Expectations for the game include an enhanced feel that gives you a sense of exhilaration upon traversing an expansive world, as well as a wide array of action and adventure. The world of "Lands Between" is a world of magic and legend, where life and death mutually intertwine. While you get to create your own character and choose the path you want to take, there will be plenty of development points for you to go through. An Action RPG with a Surprising Twist Seeking adventure at a crossroads, you're named Tarnished. As your fame grows, you notice that the problem of a crossroad town is getting worse, but no one seems to take notice. A chain of events called the "Erden Ring" occurs, and only those possessing certain items are able to control the "Herald"; a magical being that dwells in the Lands Between. You are chosen as a Herald, and given a gift to hone your skills. Your quest as Tarnished takes you on a journey in the Lands Between through an epic adventure that will have you fighting the "Seven Wyrms". Master the three powers of the "Erden Ring", and fight back against the Seven Wyrms who hold power over the Lands Between. Craft a Character and Choose a Path Unlock new characters, and combine items to create combinations that will let you customize your character and equip items to suit your play style! In addition to creating your own character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. A Unique

### **Features Key:**

Periodic Maps to Explore A huge map full of unforeseen traps and monsters that naturally evolve within the environment. The definition of an open world RPG, in which you can choose your own path as you discover what lies ahead.

A Game Without Limits Which means that you can do whatever you like, whenever you like, to accomplish your goals. This also means that you can have a wide range of interactions such as a private chat box, access to your character menu, and a photo editing room.

A Bold Expansion of the Tarnished Empire In exchange for hunting monsters that you have encountered, you will get monthly reward coupons, and strengthen the amenities you can create within the world through the "Elvish Crafting."

Multiple Bosses which Fight according to the Situation In addition to the standard boss fight, the development team have always been keen on the development of individual stages that meet the specs required by the characters. In the case of the ongoing collaboration with Ys Origin, there is a popular stage that features a "group of warriors," "crystal dragon boss," and a "monster-wrangler boss," among others.

A Gypsy-Style Exciting Battle System In addition to the ordinary turn-based battle, the battle will start at your own random timing. With multiple styles, as well as increasing the number of turns, you can resolve the battle any time you like.

An Evolving Story In the case of the ongoing collaboration with the game development company, FLIP, JR. will be creating a new story every month, with a different timeline.

A Large Amount of Equipment Also, with the addition of new equipment according to your character's progression, you will be able to change your battle equipment at any time.

Notable Features Translated into Various Languages To increase the number of users around the world, we will localize the Japanese version into Korean, Chinese, and English for the first month. Followed by a stage where we will be translating the localized version into other languages.
