Doomstar is a fast-paced physical board game for one or two players. • The goal is to get your flying behemoth to the bottom of the board • Your wings can be destroyed, allowing you to crash • Your ship can collect power-ups that give you special abilities • A special "firefly" power-up will take out all the power-ups on the board when used • Performing special actions can change the game state • Some boards require an additional power-up for access • Patterns are constantly changing to keep players on their toes • The space race is on While the rules of this game are easy to learn, the gameplay is surprisingly complex. Doomstar has no timers, so there's no other clock. The first player to knock his opponent's boat off the table wins! • Each game takes about 30 minutes • Local multiplayer is supported • Access to online multiplayer is a one time purchase and is free • Aesthetically, it's just bright and cheerful • Each player is represented by a large color-coded disc that moves around the table • Each player has their own game board, and discs are placed on those boards with the corresponding colors • Each board has a focal point around which your discs can rally • Each player has a target board with a location for their target disc • There's also a circle on the board that represents where all discs are on their board • Two discs collide when they reach each other • A successful collision will send your discs flying off in all directions • Each player has five abilities which can be performed by tapping on the area of the disc that corresponds with the ability • The abilities are: o Shatter (A strength power) o Knockback (A speed power) o Barrel (A damage power) o Heal (A healing power) o Lightning (A damage power during the final round) • Each player also has a special ability • Called the Firefly (a powerful attack that can be used in the game's final round) • The Firefly can only be activated when your disc is not in contact with any other opponent's disc • A disc that doesn't get into combat becomes inactive • Combat increases in difficulty as the game progresses • Players only have the opportunity to use their abilities during combat • There's no time pressure on the game play • Combat cards are not scored • Rounds c9d1549cdd

Loading: München-Busse Close to the railway station of München-Mühlacker (Germany) lies the sports area of Metzingen. At a distance of 60 km from Zürich, the ski resort of Lenggis is well known for its picturesque location. Some thirty minutes away is located the gorgeous Mürren ski area (together with those of St. Moritz). The OMSI guests and guests at the hostel rooms at Metzingen are very lucky: Only a few steps from the local train station there are free parking places in public garages. In the park 'Metzingen-Park', there are numerous tennis courts as well as indoor and outdoor swimming pools. That is a big advantage for guests with injuries. When our active vacation is over, you can walk the 20 minutes to the nearby old town of München. Metzingen is one of the most beautiful places in Switzerland, known for its quaint mountain villages and rural architecture, and its many forests and lakes. Free Public Transport: München Mühlacker: Loading: München Mühlacker and Werdenfels It is very well worth a visit for those interested in Old Town living, with its charming cobbled streets, charming half-timbered houses, and a pedestrianized central area. If you are staying at the hostel and are interested in the history of Metzingen, you can easily visit the museum in the town center. It is a delight for the visitor and is recommended for at least a look. Take the train to the station of München Mühlacker and then you are within walking distance to the center of Metzingen. The beautiful old town of München Mühlacker is surrounded by the hills of the Werdenfels-Kulm. Free Public Transport: St. Gallen and Werdenfels: Loading: St. Gallen and Metzingen The village of Metzingen lies in a fairly large forest which was much bigger before the 18th century, and to this day covers a large part of Metzingen. There are countless footpaths which offer beautiful, quiet and peaceful walks. Just a couple of minutes' walk away is the village of Metzingen, where you will find a good selection of bakeries, cafés and bars. The local museum in St. Gallen is a beautiful collection of more than one thousand objects

What's new:

Rebel Assault on Ord Chi 'Zam G2 and Cliffs of Fire Recon Control, Second Edition brings the massively-popular Recon Control operations to the computer, allowing you to recreate the exciting gameplay of the 1990s title as you plunge into the environments of the greatest ZAM titles ever released on the first-class game engine that accompanied them. Recon Control - Operation Crossfire This is the first time the renowned "Crossfire" game has ever been available as a PC title. Recon Control (RC) is a reconnaissance team, well-trained to execute "break and enter" tasks, the objective being to neutralise an enemy without detection. You will face differing scenarios and dangers in each mission: ambushes, traps, and special weapons are just some of the dangers an RC team may have to overcome. This is the complete package for the adult, and it also provides the opportunity to earn all the inserts and caps that fill your ID card and reward card. Product of French publisher Astérix Editions. Recon Control - Operation Crossfire RC improves upon the original, with a deeper environment, much improved maps, and new tricks and tactics to discover. The headquarters is defended by an army of heavily armed enemies, and even after succesful neutralisation, you may also run into allies of the enemy that may set even worse traps! TopWare plays their first RPG, a part of the successful Shadowwood series. The game is reminiscent of such classic classics as Diablo I, but is meant to be played with a top-notch system. Also included in the package is a map of Grand Harz. Recon Control - Operation Crossfire Recon Control - Operation Crossfire CD-ROM Available formats - CD-ROM, DVD.
