Q: Memory stick question I want to use a memory stick to store about 4GB of data that I want to read from an mp3 player. Could this damage the stick if I copy music (MP3 files) onto it? This application would be used only in one computer, once every 2 years. Thanks A: If you're writing to the memory stick every time you copy/move music on an MP3 player, I'd imagine that it's going to be damaged pretty quickly. The standard technique when dealing with a memory stick is to first un

It has a population of 13,024. At the Burkina Faso 2010 Census the population was recorded as 18,543. Bouali is one of the pre-eminent salt mines of the world. Economy Bouali is home to one of the main employers in Bourail, which is the Salt company of Bouali. Salt production in Bouali is almost entirely underground. Because the terrain is too rocky for open mines, Bouali relies exclusively on the underground mining technique known as Chamber-ticking. Bouali has its own salt museum. In 2012, a center for the preservation of traditional crafts was opened at Bouali, providing an opportunity for craftspeople to display their skills. Bouali is also known for its pottery and jewelry. Bouali is also host to a local branch of Norboum, Burkinabe institution providing microcredit, which is essential for financial security in many rural villages of Burkina Faso. A portrait of the ent
