ASTM C618 [2].Lost beneath its broad expanse of pelt, face it, this bill is ugly. It could be a little more handsome if the gray band lining the edge was a different color. And if the lining were a little more interesting. Because that gray-and-black band is just plain boring. Luckily, it's not too late for this bill to change. Legislation to make the sheep's fleece lining a different color and pattern could be introduced in the coming weeks. If you're a fan of this bill, tell your representatives now. Click here to find out who they are in Washington, D.C. In an interview with the New York Times, the bill's main author, Delegate Robert A. Marshall, explained the reasoning behind the legislation: "It's an area of the state that is covered in sheep," Mr. Marshall said. "It's a little bit of a dying art. It's kind of a throwback. It's become somewhat of a sport to own a flock of sheep, especially in this area. And I thought this would be a way to call attention to the 6d1f23a050
