Stardew Valley is a Simulation, RPG and Time Management game for PC developed by Chucklefish in 2016. Your grandfather's farm is now yours. You will build your own farm and develop it by working on the land. The game consists of several zones: an open world and other zones where you just have to work. You can focus mainly on growing and gathering, or building and crafting. You can purchase new farm equipment and tools. You can also trade with other farmers to get items and exchange resources and items for goods or money. The game features a story mode.
