
Play Rapelay Online

November 11th, 2008 by kanga2d Being a resident of the UK I was intrigued by the game when it first hit the web, knowing that it was being played in the USA first. Chaneya and I went to 4 or 5 different arcades before we found one that played it, there were 4 or 5 smaller games on the row so we looked for one with a big screen and got dragged into a game. Our first life flashing hard game. We were both so intoxicated, I could only think of one thing over and over and that was rape. We played this game for 3 months to this day, it was a weird first life experience and I didn't like the people we met online because of it but it was crazy. Footage: Scene Movie (2) Game play video from rape lay part 1 November 10th, 2008 by mizuhong Because of the controversial nature of the video and audio, RapeLay is only available on Japanese websites and on the DVD of Illusion's 2007 game Illusion Iris. Gameplay is in stereoscopic 3D, with the focus on stalking and subsequent rape. running on IIS7 and I can get it to work fine. All I need is a status on my website showing if the person needs to have access to view the reports. Currently I have the links as shown below: ">View Report This is basically code behind to show only certain reports only to the user that needs to see them. Currently I do not have any user rights as the web site is not publishing and I am trying to set it up on a dedicated server so I am not sure if that has any effect. I
